The Registrar,
Chinese Medicine Board of Australia,
AHPRA.

6th December 2011.

Dear Madam / Sir,

We thank you for the invitation to comment on the proposed registration standards for:

- Advertising guidelines
- Code of conduct for registered health practitioners
- Guidelines for mandatory notifications
- Guidelines for patient record-keeping.

As in our previous responses, we once again make the point that, while we are experts in Complementary Medicines, we are not trained in Traditional Chinese Medicine. However we have carefully considered the proposed standards and find them comprehensive, clear and of very high quality.

We welcome the registration board, the registration of health practitioners generally, and the proposed guidelines. We anticipate that these will bring great benefits to the profession, to the Australian health system, and to the Australian people.

A handwritten signature in black ink, appearing to read 'R. Kendon', is written in a cursive style.

Yours sincerely,
Ruth Kendon
