The Registrar,
Chinese Medicine Board of Australia
AHPRA

6th October 2011

Dear Madam / Sir,

Thank you for your invitation to comment on the proposed registration standards for:

1. Continuing professional development
2. Criminal history
3. English language skills
4. Professional indemnity insurance
5. Recency of practice.

We point out that we are not experts in Chinese medicine. However the proposed standards appear to us to be well-considered, appropriate and workable.

We welcome the registration board and the standards and have no doubt that they will enhance the profession and practice of Chinese medicine; and further benefit the health and safety of the Australian people.

Yours sincerely,
