- be annotated on the last page as appropriate e.g. 'I have sighted the original document and certify this to be a true copy of the original' and signed by the authorised officer,
- for documents containing a photograph, the following certification statement must be included by the authorised officer, 'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me', along with their signature, and
- list the name, date of certification, and contact phone number, and position number (if relevant) and have the stamp or seal of the authorised officer (if relevant) applied.

Certified copies will only be accepted via the Online Upload Service at www.ahpra.gov.au/registration/online-upload. Photocopies of previously certified documents will not be accepted. For more information, Ahpra's guidelines for certifying documents can be found online at www.ahpra.gov.au/certify.aspx

### **CHANGE OF NAME**

You must provide evidence of a change of name if you have ever been formally known by another name(s) or if any of the documentation you are providing in support of your application is in another name(s).

Evidence must be a certified copy of one of the following documents:

- Standard marriage certificate
- Deed poll
- Change of name certificate.

Faxed, scanned or emailed copies of certified documents will not be accepted.

### **CONTINUING PROFESSIONAL DEVELOPMENT (CPD)**

Registered practitioners must meet the requirements of the Board's CPD registration standard. For more information, view the full registration standard online at **www.chinesemedicineboard.gov.au/registration-standards**.

### **CRIMINAL HISTORY**

**Criminal history** includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made. The Board will decide whether your criminal history is relevant to the practice of your profession. You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf. But if you have not

given us certified proof of identity documents since October 2019, you will need to do this first.

Any document containing a photograph must be annotated with the statement *'I certify that this a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me.'* You may be required to obtain international criminal history reports. For more information, view the full registration standard online at **www.chinesemedicineboard.gov.au/registration-standards** 

and the requirements for supplying proof of identity and certified documents at www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity and www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents

### **ENGLISH LANGUAGE SKILLS**

The Board requires you to have effective communication with patients to safely and competently practise the profession. Therefore, you must be able to demonstrate English language skills in accordance with Board's requirements. For applicants required to complete an English language test, the Board requires an IELTS Academic module overall score of at least 7 with no individual score below 6.5 in each of the four components; an OET of A and B only in each of the components; or the TOEFL including the spoken component test with a minimum score of at least 237 (test of written English 4.5). Pass results **must** be obtained in one sitting.

For more information, view the full registration standard online at www.chinesemedicineboard.gov.au/registration-standards

### IMPAIRMENT

The National Law defines impairment as 'a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect your capacity to practise the profession'.

An illness or health condition that is safely managed is not the same as impairment, as these do not have a detrimental impact on your capacity to practise. Examples you do not need to tell us about include:

- wearing prescription glasses to correct your vision or hearing aids to correct your hearing, or
- seeing a psychologist for anxiety and following a treatment plan.

The National Law requires you to declare any such impairments at the time of application, including details of the impairment and how it is managed.

### PRACTICE

Practice means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a practitioner in their regulated health profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with patients or clients, working in management, administration, education, research, advisory, regulatory or policy development roles and any other roles that impact on safe, effective delivery of health services in the health profession.

### **PROFESSIONAL INDEMNITY INSURANCE (PII)**

You cannot practise as a Chinese Medicine practitioner in Australia unless you are covered by your own, or third-party professional indemnity insurance (PII) arrangements that meet the requirements of the Board's registration standard. You need to understand how you are covered.

Remember, practising means using your skills and knowledge as a health practitioner in any paid or unpaid role in your profession.

Chinese Medicine practitioners are exempt from requiring PII when:

 the scope of practice of an individual practitioner does not include the provision of healthcare or opinion in respect of the physical or mental health of any person

- a practitioner has statutory exemption from liability. That is, they are employed as a practitioner or are in another arrangement and are exempted from liability under state or Commonwealth legislation, or
- practitioners are registered in Australia but are practising exclusively overseas.

Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of practice for the whole period of the registration. You may be covered by your Australian employer's PII—you will need to confirm this with your employer.

For more information, view the full registration standard online at www.chinesemedicineboard.gov.au/Registration-Standards

### **RECENCY OF PRACTICE**

To ensure you are able to practise competently and safely, you must have recent practice in your scope of practice in which you intend to work during the period of registration for which you are applying.

To meet the standard, you must have completed a minimum of:

- 450 hours of practice in the previous three years, or
- 150 hours of practice in the previous 12 months.

If you are returning to practice after an absence of more than three years, the specific requirements for registration will depend on the scope of practice, your level of experience and the length of absence from that scope, including any continuing professional development undertaken.

If you propose to extend your scope of practice you must complete any advanced training/preparation that your peers would reasonably expect to ensure you are competent. If you are making a substantial change to a different scope you must submit a plan for professional development to the Board for approval before commencing the extended scope of practice.

For more information, view the full registration standard online at www.chinesemedicineboard.gov.au/registration-standards

### **REGISTRATION APPROVAL DATES**

**On the date of the Board's approval** – this means your registration will start on the date all application requirements are received and you're assessed as eligible for registration.

**On the date below or the date of the Board's approval, whichever is the latter** – this means your registration will start on the date you nominated, providing it is after the date of the Board's approval. If not, then your registration will start on the date of the Board's approval.
